*\* We are only able to provide Eco Circuit free of charge to circuits thanks to the generosity of our supporters: people who share our conviction that the gospel really is good news for God's earth and so want to help us mobilise churches in England and Wales to care for creation in their local communities. Please help us continue making Eco Circuit available to circuits free of charge by making a donation towards the costs of running the scheme. We will be hugely grateful for any amount you can give.*
